

Background

The Regina Police Service, in partnership with the Cornwall Centre, provided 20 young people involved with TRiP an opportunity to take part in a unique event called CopShop. The Cornwall Centre donated a \$200 Cornwall Centre Gift Card to each participating child, and members of the Regina Police Service accompanied them as they shop for items of their choice, including clothes, shoes and games.

CopShop provided these 20 young people the ability to experience Christmas in a way that many hadn't. It also gave the RPS members an opportunity to interact with these youth in a meaningful and impacting way.

The event took place on Wednesday, December 9, 2015. It included transportation to and from the shopping centre, lunch and a snack, a visit with Santa, and a one-hour, \$200 Christmas shopping spree. Members of TRiP selected the young people based on positive strides and achievements that they have been working towards.

Impact

Thank you for the best day ever
and the best part was eb games
have a nice day!! Tallon.

"I have no doubt we have positively impacted the lives of the children involved and once again the Service was placed in a positive light. Thank-you!"

Troy Hagen, Chief of Police

Please pass along our message of sincere thanks and gratitude to your Team Members who participated in today's inaugural Cornwall Centre Cop Shop.

I am so happy that I was there at the end of the day to see the reactions of both children and RPS members and to feel the relationships that were formed through this program. The transformation I witnessed from feelings of apprehension and cautious communication at the beginning of the day transformed somehow into a spirit of fun, friendship and appreciation at the end of the day! It definitely had a very positive impact on the children, but also touched our hearts to see relationships form over such a short period of time. So neat so cool!

Kudos to your Team! Definitely warmed the spirit of the festive season!!!!
