

It is suitable to make a referral to TRiP's 11 and Under Initiative (11UI) or twelve&up Initiative if you have:
detected behaviours or conditions that place a child/youth in a place of vulnerability.

* during the initial implementation period of twelve&up **the primary focus is on:**

- 11UI clients aging out of 11UI and youth transitioning from grade 8-9

Elements to consider for a referral to TRiP are:

- The child/youth exhibits multifaceted behavioural challenges.
 - The child/youth is showing or is affected by composite risk factors.
 - Previous engagements in services have shown little progress in the child/youth.
 - The child/youth has experienced personal, situational, and/or institutional barriers to services and support.
 - After having explored other options, the referring agent considers TRiP to be the best option.
- If TRiP is deemed to be the most appropriate approach then:
 - **complete** the Agency Referral Package (attached);
 - **inform** the parent/guardian of TRiP and **why** you are making a referral;

IMPORTANT NOTE: By completing this form, you are acknowledging that you have spoken to the client about TRiP and have gained their understanding concerning an opportunity for coordinated support through The Regina Intersectoral Partnership's 11UI or twelve&up initiatives.

INITIAL HERE: _____

- advise the caregiver that **once you submit** the Agency Referral Form, **Melinda Lalach**, Intake & Referral Officer (I&RO) will contact them directly, generally within 3 business days of receiving the referral.

- If the Agency Referral Form is **missing key information**, the I&RO will contact you to obtain the required information. Please take the time to be thorough on the initial submission.
