

"I learned that even smart people need to ask for breaks and need help," Philip said.
11UI Client

11 since December 2010, **383** referrals
since January 2016, **40** **twelve&up**

2 evaluations of 11UI show a **significant** reduction in contact with police post 11UI versus pre 11UI & a significant **reduction** in risk type behaviour.

11 & Under Initiative (11UI) Evaluation
2013-2014

TRiP Program helps Regina youth find their feet
"Sometimes I get upset, because sometimes I think I can do anything. Sometimes I think I can be the best in my class, and I thought I didn't need to ask for help or use breaks, and that got me frustrated," said grade four student, Philip Brienbach.

Overall, I think that The Regina Intersectoral Partnership will come through as a national leader in social innovation and community safety. The stakeholders involved in this project have worked hard to develop a model for community safety that addresses risk on a continuum from *vulnerable* to *risk* to *acutely-elevated risk*.
